Dear Sir:

This submission supplements the response to the Final Office Action dated March 16, 2009 and the Advisory Action dated July 8, 2009. An interview was conducted between Examiner Alessandro Amari and Applicants attorney Erik Swanson on September 25, 2009 which resulted in agreement being reached on allowable claim language. The Examiner completed and provided an Interview Summary form with the Notice of Allowance dated September 30, 2009. The Interview Summary form indicated that Applicants were required to submit a statement of the substance of the interview.

During a telephone call between Applicants attorney Norman B. Thot and Examiner Amari on December 17, 2009, Examiner Amari stated that he had used the incorrect form to summarize the results of the September 25, 2009 interview and that no statement of the substance of the interview was needed to be filed by the Applicants.
